

BILI the bee

Maskottchen des BILIngualen Zweiges

My name is **BILI**,

the bee. 

I live in a school 

and I think that is cool!

But something is funny.

I don't collect honey. 

English words are my food.

Germans say that is "gut". 

With my big right wing

GEOGRAPHY - I bring. 

I have got a left wing, too,

That's HISTORY for you 

Now would you like to meet me? 

Then come to class **b** (bee)

From class five to class ten

I will be your fan.
